Please note that this plan is indicative only. Changes may be made during development, and dimensions, rates, fixtures and specifications are subject to change in accordance with provisions of the Contract of Sale. The fixtures depicted in this plan are not intended to be taken in place of the final position of those items. The construction quality and the size of the fixtures necessary for services and structure are not depicted.

Estimated floor area is measured to the outside face of all external enclosing walls and to the internal face of all non-enclosing walls to the main floor or an attached area. All area calculations are based on the Property Council of Australia method of measurement guidelines. Purchasers should check this plan and specifications, including in the notes, of the contract of sale carefully prior to signing the contract.
