

302/108 Flinders Street MELBOURNE, VIC

 1  1

An Envable Touch of Paris End

In the most sought-after Paris End of Melbourne, 108 FLINDERS ST is a boutique apartment complex designed by Fender Katsalidis - a renowned reward winning architect, and it has been recognised as one of the most popular residential towers in this location ever since it was built.

Situated on the Northern side of the building with fantastic natural light and overlooking the famous tourist favourite ACDC Laneway, Apartment 302 offers an enviable living environment and urban lifestyle with great convenience to all the facilities and amenities Melbourne can offer.

Other features include:

Reverse cycle air-conditioning

Video intercom system

Just moments from business, shopping, theatres, restaurants, cafes, the sports precinct ?
